

[La Création du Monde](#) is the title of the last recording by dark-ambient artist **Vauxia Errante**, a long form track full of delicate details and intricated textures conforming a mesmerizing exploration of sonic realms.

This is the 3th volume in the Woomh EP series by Altera Orbe artists.

All music composed, performed, recorded and mixed by Vauxia Errante in 2012 and mastered by Ran Kirlian at The Blue_Room in 2013.

The Woomh Series is a special product line which items are presented in mini-albums formats, containing unique, strange and isolated musical passages from the artists belonging to Altera Orbe or even special guests.
